Internship Experience

The INTERNSHIP with **ADVOCATE Neema Rani** started from **01.08.23** to **31.08.23** has been an immensely commendable experience for me. My place of internship was **Dwarka District Courts, New Delhi**.

It was a very good experience for me, as i get the chances to visit and observe court proceedings and its functions on daily basis. My mentor Advocate Vikas Yadav was really kind to provide me with case files for study and research and guided me through the process time to time.

Since, I had to observe the day to day case proceedings so I was given case files for study & to research on various subject-matters. I was allotted maximum two days for each case file and for preparing a report thereof. Saturdays and Sundays were off and I had to read suggested legal materials during that time. I have included the subject-matter, facts, next hearing dates, observations and status of the cases in my report. I learned how to read case files and drafting. This internship helped me expand my area of practical knowledge of the court, I got to learn very much through research work and case studies and I am really happy to have such an experience.

DAILY INTERNSHIP DUTIES :

1. I was assigned to read minimum of two to three case files daily to learn how files are maintained and how the records are maintained.
2. Reading any suggested law-related materials for my own benefit.
3. Research on judgments that are related to facts of case.
