During the period of his internship with our law firm, his behavioral conduct was good and his performance was exemplary. He is an enthusiastic person and does his work with full devotion and is completing the assignments timely and prudently.

On his very first day of work, I was pleasantly surprised to find out that he knew most of the working of an advocate's office. I was continuously impressed by his knowledge and dedication. He combines sharp analysis with strong intuition. And I always knew and could rely on him to meet deadlines and exceed my expectations.

I wish him the best in his future endeavors.
