Graphical representation of Student Feedback Analysis:

It is evident from the graph mentioned above that, majority of the students are satisfied with the curriculum, academic performance, and the assistance provided by the faculties.

Following are the significant achievements of students they shared with us in the feedback form:

- ❖ Institute provides various opportunities to students which enhances numerous skills in them. Within the duration of the course as per the skills of students they were assigned with different tasks and duties such as class representative, head and team

members of various committees, students' coordinator during internship and many more. This develops leadership quality among them and encourages other students to be punctual and regular in class and also to participate more in the activities. Events organized by the institute provide a platform where students polish their skills. Career counseling is one of the best practices done by FIMT. Exchange program organized by institute helps students in various perspectives such as confidence building, team building and explore the practical world as well.

During feedback suggestions received from students are as follows:

- ❖ Faculties should use audio-video aids for better learning & understanding of the students.
- ❖ After completion of the semester faculties should conduct Mock test for practice of final examinations.
- ❖ Faculties should suggest question bank or MCQs for practice.
- ❖ Practical approach of teaching as per the demand of the course
- ❖ Counseling session should be organized prior to the internship and placement drive.
- ❖ Alumni session should be organized in the Institute.

The feedback & suggestions obtained are discussed with the higher authorities & management and the issues of special concerns are addressed and discussed in the in-house meetings for the upcoming session. Required actions were taken in the form of sending circulars to course department along with the students.

Action Taken Report

Feedback	Action Taken
Faculties should use audio-video aids.	Numerous pedagogy was included while conducting lectures such as audio-video lecture, e-notes, PowerPoint presentation and many other activities which enhance learning and understanding ability of the students.
After completion of the semester faculties should conduct Mock test for practice of final examinations.	After completion of every unit of the curriculum mock test was conducted by faculties.
Faculties should suggest question bank or MCQs for practice.	MCQ's & question bank which also include previous year question papers were shared with students so that they can practice them well in time. This process helps students in understanding the nature of the questions, time- management and most importantly in self-evaluation.
Practical approach of teaching as per the demand of the course	Practical approach which includes lab work, case studies of relevant topics is discussed during the lecture which generates interest of the student in the subject and help in better understanding as well.
Counseling session should be organized prior to the internship and placement session	Counseling session is organized in order to gear up students so that they can confidently face the challenges of various companies organizing placement & internship drive in the institution.
Alumni session should be organized in the Institute.	Alumni session was organized by the Institute for the fresher's which helps them to have an insight of the industry.
