FAIRFIELD

Institute of Management & Technology

(Affiliated to GGSIP University, New Delhi)

The Fairfield Institute of Management and Technology (FIMT) is a NAAC accredited prestigious college in Delhi with an ambiance of representing the academic culture of the capital town of the largest democracy of the world and a vibrant emerging economy. Established by the Fairfield Group of Institutions, it is an 'A' Grade College approved by the Government of NCT of Delhi, affiliated to the prestigious Guru Gobind Singh Indraprastha University, which is the first university established by the Government of Delhi. FIMT is approved by the Bar Council of India and National Council for Teacher Education and other authenticating bodies. It is backed by a legacy of 47 years of shaping students' career in the country in areas of Management, Commerce, Teachers' Education, Journalism, Information and Communication Technology, Humanities, and Law and Legal Studies. The institutional distinction includes social outreach, field studies and job orientation programs in respective areas of study.

FIMT - SCHOOL OF LAW

The School of Law - aims to explore and identify novel areas of law and policy through relentless engagement in developing legal theory and practice, academic potential, critical analytical ability and advocacy skills so as to fully equip the students with a learning which is intellectually stimulating, socially vital and professionally enriching. This course is intended to impart intensive knowledge and training in Law subjects and help students to acquire wider perspectives both for legal responsibilities and professional application.

ABOUT THE ADD-ON COURSE

The Add on Course is an additional course offered by FIMT that aims to provide the insights on one of the Alternative Dispute Resolutions. Mediation is one of the effective and now well known alternative dispute resolution methods, which helps the litigants to resolve their disputes voluntarily and amicably with the assistance of a third party known as 'Mediator'. The mediator by his skills assists the parties to settle their disputes. Through mediation proceeding parties arrive at an equitable solution and are always in win-win position. Mediation proceeding are informal process in which the mediator, as a third party without the power to decide or usually without enforcing a solution, helps the parties resolve a dispute or plan a transaction.

This proceeding is usually voluntary, confidential, transparent and time and cost effective also. The Proposed course will give the brief knowledge to the students about the process of mediation, role of mediator, technique of dispute resolution through which parties resolve their disputes without any agony and they also save their valuable time and expenses of litigation as well.

LEARNING OUTCOME

- To provide a comprehensive understanding of Alternate resolution of disputes
- To Learn about effective and efficient way of solving the conflict between the parties.
- To have a basic understanding of how to resolve the dispute in an amicable settlement.
- To evaluate the role and duties of mediator.
- To learn about the different outcome from the mediation than the court.
