Akhil Jaitly's ability to take dictation at a fair pace, and then have the draft ready in a short span is far above average. His knowledge of computers is extremely good.

Although, Akhil Jaitly is fairly young, I found a high level of maturity in his entire behaviour and he could adjust and be a part of any group in the Chambers.

Akhil never had any difficulty with the very Senior Counsel, Middle Rung Counsel, Junior Counsels or even the Administrative Staff, Court Clerks, Chauffeurs, Peons etc. This trait establishes his leadership qualities and ability to adjust in any environment.

Above all, an outstanding trait Akhil's personality is his ability to take initiative. Very often, not only was he willing, but he actually took the initiative to perform acts beneficial to the Chambers.

I found Akhil Jaitly to have very high standards of integrity, and moral and ethical values, deeply enshrined and imbibed in his psyche.

I wish Akhil Jaitly the very best in life.

I have great pleasure in presenting this Testimonial to Mr. Akhil Jaitly, Son of Mr. Yogesh Jaitly, a Fourth Year, 8th Semester, B.A. LL.B. (Hons.) Student of Fairfield Institute of Management and Technology, affiliated to GGSIPU, who interned at my Chambers from June 01, 2019 to July 31, 2019.

I must confess that when I first interviewed Mr. Akhil Jaitly, his extraordinary serene, calm and tranquil exterior was overwhelming. His persona and demeanour reflected a person possessed of a vast repertoire of knowledge and profound wisdom. Behind his deep and pensive demeanour, stood a person of immaculate manners and an indefatigable desire to be a successful Attorney at Law.

As a part of my idiosyncratic behaviour, I posed several queries to Akhil to ascertain the depth of his knowledge, and to assess his power of comprehension and the strength of his academic background, along with his tenacity of purpose and whether he possessed the necessary skills to be an effective, influential and a successful professional Lawyer.

I am proud to say that even though Akhil could not answer some of the queries, he possessed sufficient knowledge to comprehend the questions and was able to relate to the points at hand. I did not expect him to know many of the answers, but his responses were very impressive.

Today, I am extremely proud to say that he can express himself most coherently, succinctly, lucidly, precisely on even those subjects of law; which are not taught up to the Fifth year.

I have great pleasure in presenting this Testimonial to Miss Nisha Garg, Daughter of Mr. Naresh Garg, a Fourth Year B.A. LL.B. (Hons.) Student of Fairfield Institute of Management and Technology, affiliated to GGSIPU, who interned at my chambers from July 01, 2019 to July 30, 2019.

I must confess that when I first interviewed Miss Nisha, her extraordinary serene, calm and tranquil exterior was overwhelming. Her persona and demeanour reflected a person possessed of a vast repertoire of knowledge and profound wisdom. Behind her deep and pensive demeanour, stood a person of immaculate manners and an indefatigable desire to be a successful Attorney at Law.

As a part of my idiosyncratic behaviour, I posed several queries to Nisha to ascertain the depth of her knowledge, and to assess her power of comprehension and the strength of her academic background, along with her tenacity of purpose and whether she possessed the necessary skills to be an effective, influential and a successful professional Lawyer.

I am proud to say that even though Nisha could not answer some of the queries, she possessed sufficient knowledge to comprehend the questions and was able to relate to the points at hand. I did not expect her to know many of the answers, but her responses were very impressive.
