TO WHOMSOEVER IT MAY CONCERN

I have great pleasure in presenting this Testimonial to Mr. Ravi Tiwari, Son of Mr. Raj Kumar Tiwari, a Fourth Year, B.B.A. LL.B. (Hons.) Student of Fairfield Institute of Management and Technology, affiliated to GGSIPU, who interned at my Chambers from July 01, 2019 to July 30, 2019.

I must confess that when I first interviewed Mr. Ravi Tiwari, his extraordinary serene, calm and tranquil exterior was overwhelming. His persona and demeanour reflected a person possessed of a vast repertoire of knowledge and profound wisdom. Behind his deep and pensive demeanour, stood a person of immaculate manners and an indefatigable desire to be a successful Attorney at Law.

As a part of my idiosyncratic behaviour, I posed several queries to Ravi to ascertain the depth of his knowledge, and to assess his power of comprehension and the strength of his academic background, along with his tenacity of purpose and whether he possessed the necessary skills to be an effective, influential and a successful professional Lawyer.

I am proud to say that even though Ravi could not answer some of the queries, he possessed sufficient knowledge to comprehend the questions and was able to relate to the points at hand. I did not expect him to know many of the answers, but his responses were very impressive.

Today, I am extremely proud to say that he can express himself most coherently, succinctly, lucidly, precisely on even those subjects of law, which are not taught up to the Fifth year.
