INFORMATION SYSTEM MANAGEMENT (305)

S.NO.	NAME	ENROLL.NO.	TOPICS
1	ANASWARA T B	00190188817	Evolution of variuos information system in an organisation
2	ANKUR RATHORE	00290188817	Multimedia approach to information processing
3	FAIZ KHAN	00390188817	Study of datawarehousing in business organisation
4	KANWAL JEET SINGH	00490188817	Role of data mining in an organisation
5	KAVYA RANA	00590188817	Evolution of database managemnt system in an organisation
6	RAM SINGH	00690188817	Analysis of impact of Management information system in business organisatior
7	ROHAN SHARMA	00790188817	comparitive study of different categories of information system
8	SANJAY SINGH	00890188817	transaction processing systems (TPS) of system development life cycle.
9	SUNALI DEMBLA	00990188817	Impact of decision support systems (DSS) ina an organisation
10	ADITYA NARAYAN	35190188817	analysis of executive information systems (EIS)
11	ANKUR GAUR	35290188817	Impact of expert system in information system
12	PARAKH MAHENDIRATTA	35890188817	Role of knowledge management system in an organisation
13	PULKIT KHETRAPAL	35990188817	Recent Trends in management information system
14	SONIA YADAV	36090188817	Applications of Expert system in an organisation
15	TANYA SACHDEVA	36190188817	Study of Enterprise resource planing in business
16	HEMANT KUMAR	40190188817	study of analysis of normalisation
17	S.SARANATHAN	40290188817	study of relational database management system
18	SIMARN SHARMA	40390188817	comparitive study of Hierarichal & Network model.
19	MANISH RANA	40690188817	Impact of Normalization on Database Managemnt system
20	MANJEET SINGH	40790188817	Introduction to structure query language
21	RITIK KUMAR	41090188817	Evolution of Entity relationship model in DBMS
22	ABHINAV JHA	50190188817	What are the integrity constraints in relationl databases? Explain with example
23	AASHISH VERMA	50290188817	introduction to relational model in DBMS
24	DEEPANSHU NARANG	50390188817	Study of data definition language commands
25	DISHANK RAWAT	50490188817	analysis of relational database model.
26	HARSHIT NARESH	50590188817	analysis of DDL commands in SQL
27	HIMANSHU	50690188817	analysis od DML commands in SQL

28	JYOTI	50790188817	study of DCL commands in SQL
29	KANIKA SAINI	50890188817	comparitive study of various aggregate funtions in SQL
30	KANUPRIYA AHUJA	50990188817	analysis of system development life cycle
31	LAKSHAY KINGER	51090188817	cost benefit analysis of the information
32	MD SHARFE ALAM	51190188817	quantitative & qualitative aspect of information
33	NARENDER SHARMA	51390188817	comparitive study of unstructured ,semi-structured and structured decision:
34	NIPUN GUPTA	51590188817	study of concept of system & its various types
35	NITIN KUMAR	51690188817	study of executive support system in business
36	PALLAVI	51990188817	analysis of office automation system in organisation
37	PRATIKSHA ADHIKARI	52090188817	Impact of expert system in an organisation
38	PRIYA PAWAR	52190188817	prototyping model of system development
39	PRIYA YADAV	52290188817	waterfall model of system development life cycle
40	RAHUL	52390188817	spiral model of system development life cycle
41	RAHUL YADAV	52490188817	Study of Information System and its various types in an organisation
42	RISHABH GUPTA	52590188817	Analysis of Prerequisites of an Effective Management information sytem
43	RITIKA AHUJA	52690188817	Study of applications of management information system
44	RITIKA KAMRA	52790188817	Study of Future scope & functions of MIS
45	SHUBHAM MAKHIJA	52990188817	Analysis of Transaction processing system
46	SONAM YADAV	53090188817	Analysis of components of Management information system
47	TISHA	53190188817	Study of sources & types of Information in an organisator
48	VARNIKA VERMA	53290188817	Analysis of Decision support system in an organisation
49	VIKASH SACHDEVA	53390188817	Study of file system vs database management system
50	VIPIN KUMAR	53490188817	Architecture & structure of database management system
51	VISHAL GIRDHAR	53590188817	Impact of Executive Information system in an organisator
52	YOGESH BHARDWAJ	53690188817	analysis of executive information systems (EIS)
53	BHUMIKA SEHRAWAT	90190188818	Impact of expert system in information system
54	ANIKET KUMAR	00151488817	Role of knowledge management system in an organisation
55	ANITA SINGH	00251488817	Recent Trends in management information system
56	DEV RAJ	00351488817	Applications of Expert system in an organisation
57	HARDIK NASSA	00551488817	Study of Enterprise resource planing in business
58	KARTIKEY DHINGRA	00651488817	study of analysis of normalisation

59	PRIYANSHU BANSAL	00751488817	study of relational database management system
60	RISHAV SINGH	00851488817	comparitive study of Hierarichal & Network model.
61	VINAY	00951488817	Impact of Normalization on Database Managemnt system
62	BHAWNA	35151488817	Evolution of variuos information system in an organisation
63	DEEPTI RATHORE	35251488817	Multimedia approach to information processing
64	KAMAL KUMAR	35351488817	Study of datawarehousing in business organisation
65	KAMAL	35451488817	Role of data mining in an organisation
66	ANURODH MAILK	35551488817	Evolution of database managemnt system in an organisation
67	TARUN DALAL	35651488817	Analysis of impact of Management information system in business organisatio
68	NAMRATA	50151488817	comparitive study of different categories of information system
69	VISHAL	50251488817	transaction processing systems (TPS) of system development life cycle.
70	YASH SHARMA	50351488817	Study of Enterprise resource planing in business
