◆ Why Continuous Evaluation is Important:

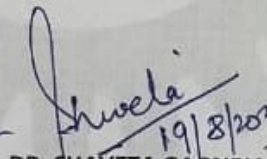

Continuous evaluation is not only a measure of academic performance but also an opportunity for self-improvement and skill development. It enables students to:

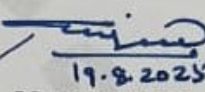

- Track and improve their academic growth consistently.
- Enhance their communication and speaking skills through seminars and presentations.
- Develop a habit of regular study and discipline.
- Receive timely feedback to strengthen weak areas before final exams.

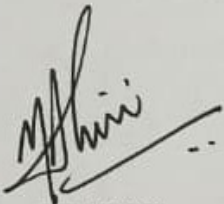

Students are therefore advised to take all components of the evaluation seriously for their overall academic and professional development. Assignments will be uploaded on **FIMT Student Portal** by **23rd August 2025**, Students are advised to check fimt-ggsipu.org/student-portal1.php on regular basis. **Hardcopy** of the Assignment should be submitted to the Concerned Faculties on the **Date of Submission/Presentation**.
