INFRASTRUCTURE

FIMT NCC UNIT

1- DELHI NCC GIRLS BATTALION
3- DELHI NCC BOYS BATTALION

FIMT NCC has one company of boys and one company of girls, totaling 320 students. The National Cadet Corps (NCC) is the key to our youth's overall development and change.

शाश्वतम्

FIMT NSS UNIT

The Fairfield Institute of Management & Technology's National Service Scheme (NSS) unit is a volunteer programme where students strive to establish a campus-community connection. It fosters in the young community a sense of civic and social responsibility. About 200 students from two units of FIMT College, representing a variety of specialties and course offerings, volunteer for NSS FIMT. Every unit is split up into teams, each of which is headed by a volunteer team leader.

The Unnat Bharat Abhiyan (UBA)

The Ministry of Education's flagship programme, Unnat Bharat Abhiyan (UBA), was established to give the concept of creating self-sufficient "village republics" life. It attempts to provide the needs of food, clothes, health care, livelihood, and education in rural areas by making the best use of capabilities of higher education institutions, and environmentally friendly technologies. FIMT UBA cell aims to improve the five selected villages by organizing community engagement programmes. The five villages that have been adopted under the programme : **Daulatpur, Badusarai, Raghupur, Jhatikara, and Salahpur.**

The FIMT Alumni Association

The goal of the FIMT Alumni Association, which was founded in 2009, is to give former students a way to stay in touch with one another and their college of education. The heart and soul of FIMT College is its students. We value all our students, both current and former. We take great pride in our alumni. Many of our most notable alumni followed their aspirations without second thought. Their pursuit of perfection was crowned by success.

Alumni Aims and Objectives:

- To maintain a database of the alumni
- To provide a platform to connect, collaborate and network with past and current students
- To organize industry, motivational and technical talks by esteemed alumni.

Global Partnerships

At FIMT, we are always looking to increase the number of academic partnerships and engagements. The exchange programs offered by the Colleges provide a chance to increase one's knowledge base, acquire fresh insights, and create a wide professional network.

The Fairfield Institute of Management and Technology has partnered with numerous universities and institutions across the globe to conduct joint research, exchange faculty and students, and host lectures, workshops, conferences, and short courses. Our students' perspectives on various cultural and academic systems, as well as unique cultures and languages, are widened through a term spent abroad.

Pro Bono Club

The Law School at Fairfield in order to support the Department of Justice's Nyaya Bandhu (Pro Bono Legal Services) initiative inside the Ministry of Law and Justice, Pro Bono Club was established. In accordance with this plan, the Institute establishes a Pro Bono Club with the goal of offering pro bono services to those in need of legal help as well as support to the Lok Adalats and ADR courts in order to advance equal access to justice.

In addition to giving students real-world experience and assisting them in developing into public-spirited practitioners, this project will support Pro Bono advocates and help them increase both the volume and caliber of their work.

CLUBS & SOCIETIES

Summer Training & Internship @ FIMT College

Throughout college, internships in one's field of study are essential to success as an advanced student. Look for opportunities where students can apply and further develop the academic concepts they are learning in a professional environment, in addition to the classroom activities that involve discussion, debate, peer interaction, and shared learning experiences.

Careful preparation is essential for a profession that is fulfilling. The growth of professional skills, the reinforcement of integrity, and the expansion of opportunity are the three main benefits of internships. The most opportunities possible should be made available to students while they're looking. Students will have access to professional development and opportunities through the FIMT-college Placement Cell during their academic careers.
