VENUE: FIMT INSTITUTIONAL CAMPUS, BIJWASAN ROAD, NEW DELHI-110097

ABOUT THE INSTITUTE

The Fairfield Institute of Management and Technology (FIMT) is a distinguished college in Delhi, accredited by NAAC, that embodies the academic spirit of the capital city of the world's largest democracy and its dynamic emerging economy. Founded by the Fairfield Group of Institutions, FIMT holds an 'A+' Grade from the Government of NCT of Delhi and is affiliated with the esteemed Guru Gobind Singh Indraprastha University, the first University established by the Government of Delhi.

The Institute is recognized by the Bar Council of India, the National Council for Teacher Education, and other relevant accrediting bodies. With a rich legacy spanning 50 years, FIMT has been instrumental in shaping the careers of students across various fields, including Management, Commerce, Teacher Education, Engineering & Technology, Journalism, Information Technology, Humanities, and Law. The Institution is noted for its commitment to social outreach, academic research through field studies, and job-oriented programs tailored to specific areas of study.

ABOUT THE CONFERENCE

In a rapidly evolving global order. It repositions civilizational knowledge systems, indigenous wisdom, and historical intellectual traditions as foundational elements in shaping sustainable economic transformation and innovation-driven growth. The deliberations will:

- Critically examine growth-centric development models.
- Promote human-centric, equitable, and sustainable frameworks.
- Integrate technological, Institutional, and social innovation.
- Encourage interdisciplinary dialogue bridging tradition and modernity.

OBJECTIVES OF CONFERENCE

- Analyze emerging global economic trends and their impact on inclusive growth.
- Understand geopolitical shifts and their influence on economic stability and development.
- Examine technological disruption, including AI, automation, fintech, and Industry 4.0.
- Promote sustainability and climate-resilient economic strategies.
- Foster inclusive growth, social equity, and human capital development.
- Encourage policy dialogue, strategic leadership, and global collaboration.
- Showcase real-world case studies and best practices navigating global disruptions
