Date: 2nd March 2023

Circular

FIMT-School of Information Technology is organizing a “Samadhaan IT Hackathon 2023” for the students of BCA all semesters on 18th of March, 2023 i.e. Saturday at the School of Information Technology Department in FIMT Campus. IT students will come together to a 3 hours Hackathon event, where they will make workable applications.

Samadhaan IT Hackathon:

- Develop Creative Blog for admission in IPU courses.
- Developing Intelligent Chat Bot for enhancing admission.

Rules and Regulations of Hackathon:

- Students will finish building their projects and submit them to the Coordinator
- A panel of judges will decide the winners on the basis of submissions.
- Prizes will be awarded based on the project's creativity, execution and impact made on the target users or the community.
- We will accept applications from a team of 4 students.
- Students are requested to bring their own laptops and equipments required at the event.
- There would be no Registration fee.
- Internet facility would be provided at the venue.
- Participants will be from all semesters.
- Participants can choose any platform for development.

Date: 18th March 2023

Time: 10 AM to 1:00 PM.

Venue: Wing B, IT Lab 2, FIMT Campus.
